I AM pt.2

By Karis David

I am walking to a destination I may never reach
The light gets closer but I may never get there
I am prone to panic when the light still seems so far
Perhaps the light is always illuminating everything I see
Still there are infinities inside each distance
I am walking one step at a time
I am tired
This body has grown heavy
I am walking with my head on a swivel
One foot dragging
One foot ready to run
I am walking to a home I can't imagine
A home so open, what if nothing's even there at all
I am walking to where there will be no more walking
I am walking to where there will be no more words
But who am I, if I can't be described
I don't know
I don't know
I don't know
I am walking to realize all that I am not and
I am walking to realize all that
I AM
