Behind this Mask

By Samantha Katlyn Herbst

Let me hide behind this mask
To let me shut away this pain
Let me complete this task

For years we have lived this masque
Waiting for the day we gain
Let me hide behind this mask

I told you not to ask
The life we have worked for was in vain
Let me complete this task

I should have known you would bask
In the victory of my chain
Let me hide behind this mask

Now I am nothing but a lasque
Cut from the inferior brain
Let me complete this task

So no one can see me unmask
And make me a family stain
Let me hide behind this mask
Let me complete this task
