Change

change.

this bittersweet feeling
melts in my mouth
every precious thing is passing
waving through a window
take the moment and taste it
the river keeps on rolling

this feeling's not forever
and neither are friends
this doesn't make the love
any less lasting
this doesn't make the loss
any less-

there is a season for everything, i'm finding
and like the seasons change
people change
perhaps one of the most complex
and simplest words
the paradoxical constancy of
change
