# Sports

All sports are different,  
there's the fun ones  
but there's always have some boring ones.

Those baseball,  
softball,  
and soccer games  
are the ones that I often work.

The baseball ones are often the longest,  
but hearing the walk-up music  
liven up the game.

The softball ones are extremely fast paced  
working play-by-play  
makes the two hours go by just like one.

The soccer games are soccer games depending on the team  
they can go fast,  
they can go slow,  
but watching the teams play  
makes it all worth the while.

At the beginning they are often fun  
but you never know what will happen next  
and knowing people on the teams often helps the game go quick.

Baseball, softball, and soccer the 3 sports I enjoy working most.
